

OCEANetwork Student Internship

Time Commitment

- 15 Weeks
- August 19 to December 2
- Approximately 4 to 4.5 hours per week
- Live Zoom Meetings Mondays at 1:00pm ET

Description

Interns will actively participate in a multidisciplinary internship focused on fostering healthy leadership abilities and building knowledge, perspective, and skills necessary to working in a statewide organization. They will engage with a variety of people from the homeschool world including expert homeschool speakers from around the country and volunteers from state homeschool organizations, all from the comfort of home.

Through live meetings, presentations, research assignments, and practical application, interns will build skills in a variety of areas:

- Critical thinking and team problem solving
- Creative innovation
- Interpersonal communication
- Research and reporting
- Legislative bill reading
- Google Workspace and Classroom tools
- Graphic design in Canva
- Presentation skills
- Magazine layout, design, content
- Video recording and editing

Each week, a theme will guide interns through various aspects of individual development and the operation of our organization. Here are some highlights:

- Finding your strengths
- Communications and Publications
- Messaging/Branding/Graphic Design
- Storytelling
- Stewardship
- Government Affairs
- Homeschool Research and Success
